Whitney's Fine Lecture.

The students of the H. Y. College and the general public enjoyed an intellectual treat on Saturday evening when Dr. G. F. Whitney, author of "Theology and Prophecy," presented in the Tabernacle could treat these subjects so interestingly and stimulatingly as did Mr. Whitney. The lecture was the second of a series given under the auspices of the H. Y. College, the first meeting being on the subject "The First Meeting of the Church" given by Dr. K. G. Mason.

The great platform in the large chapel or lecture hall of the Agricultural College was converted into a stage, for which scenery, curtain and all necessary fixtures are being provided. The intention is to present a play there on the evening of Wednesday, December 11th, to celebrate the end of the first year of the agricultural course in the senior term. The play chosen is "The Galley Slave," and with the exception of Messrs. J. P. Smith and T. H. Culler, all parts will be filled by students or members of the faculty.

Agricultural College.

Four hundred students are attending the Agricultural College. This is a larger number than were ever in attendance before. Last year's roll shows an increase of 120 over the preceding year, while it is believed that at the commencement of the winter term the same rate of gain will be shown. The college is rapidly growing to meet with the class of people who wish to give their children a practical education.
